ACADEMIC BACKGROUND

1986-1991 Ph D, Political Science

Université de Montréal, Canada

Dissertation: « La démocratisation du Mexique. Diagnostic et potentiel »
(Mexico's Democratization: Diagnosis and Potential).

1984-1986 M Sc, Political Science

Université de Montréal

Thesis: « La participation politique des paysans au Pérou, 1969-1985 » (The
Political Participation of the Peasantry in Peru, 1969-1985).

1976-1981 Licenciatura , Magna Cum Laude, Sociology (Major in Political Sociology)¹

Universidad Nacional Autónoma de México

Thesis: « Universidad nacional, política y marxismo » (National University,
Politics, and Marxism) Defended in December 1983. Magna Cum Laude

LANGUAGES

Spanish: mother language.

English: fluently written and spoken.

¹ In Mexico, the first university degree is not Bachelor of Arts but "Licenciatura". Completing the course load takes between four and five years (eight to nine terms), and writing and defending a thesis is mandatory in order to obtain the degree. To some extent, then, "Licenciatura" is equivalent to a Canadian BA Honours degree or even to a Master's degree..

French: fluently written and spoken.

Portuguese: good written and oral comprehension, fairly written and spoken.

PROFESSIONAL EXPERIENCE

May 2024 Visiting Professor
University of Silesia, Katowice, Poland (Uniwersytet Śląski w Katowicach)
Selected by the Wirth Institute for Austrian and Central European Studies.

February 2022 Guest Researcher
Centre for Research on Extremism (C-REX), University of Oslo, Norway (Senter for ekstremismeforskning, Universitetet i Oslo)

July 2018 – present Full Professor
Department of Political Science, University of Alberta

January – June 2017 Visiting Fellow

COURSES TAUGHT

1. DEPARTMENT OF POLITICAL SCIENCE, UNIVERSITY OF ALBERTA

POL S 445 - "Topics in Globalization and Governance: Minority Nationalisms": A topics course designed to understand the reality of nations without a state, and its implications for domestic and international politics. Created by Julián Castro Rea, taught in the winter term 2023. Cross-listed as POL S 540 as graduate course.

POL S 445 - "Topics in Globalization and Governance: Global Conservatism": A topics course designed to make sense of the global surge of conservatism, and the cross-border connection between national movements. Created by Julián Castro Rea, taught in the fall terms 2022 and 2023. Cross-listed as POL S 540 as graduate course.

POL S 445 - "Topics in Globalization and Governance: Governance Innovations in the Americas": An in-depth exploration of the main experiments in democratic governance in contemporary Latin America. Created by Julián Castro Rea, taught in fall term 2021. Cross-listed as graduate course POL S 540.

POL S 445 - "Topics in Globalization and Governance: Conservatism in the Americas": A topics course designed to explore the distinct conservative traditions in the Americas, and their recent convergence. Created by Julián Castro Rea, taught in fall terms 2019-2020. Cross-listed as POL S 540 as graduate course.

POL S 354 – "Topics in Comparative Politics: Governance Innovations in Latin America". An exploration of the main experiments in democratic governance in contemporary Latin America. Created by Julián Castro Rea, taught winter terms 2019, 2020 and fall terms 2022 and 2023.

POL S 235 - "Introduction to Comparative Politics": An introduction to the main theoretical and methodological issues in the compared study of politics. Fall term 2017, winter terms 2020 and 2021.

POL S 600 - "Theories and Methods of Comparative Politics": A survey of the main theoretical and methodological traditions in the compared study of politics, intended for incoming PhD students. Taught three times, fall terms 2014, 2015 and 2016.

POL S 334 - "North American Politics": An overview of the main political issues affecting North America, and the political dynamics and institutions in Canada, Mexico and the United States. Course created in 2005 by Julián Castro Rea; taught for eleven terms.

POL S 225 - "Canadian Politics": An examination of the contents and dynamics of the processes that shape Canadian politics; identifying their main regional, social and economic foundations. Newly created course, taught in winter 2016, summer 2018 and winter 2023.

POL S 423 - "Canadian Federalism: An International Comparative Perspective": Originally a survey of the main features of Canada's federal experience, Julián Castro Rea added an international comparative component to it. Taught ten times, from the fall term 2001 on. Cross-listed as POL S 522 as graduate course.

POL S 220 - "Canadian National Government and Politics": A study of the origins and functioning of Canada's institutions and system of government; incorporating critical insights into the challenges they presently face. Designed as a full-year course, Julián Castro Rea taught the second part, during the winter term 2015.

POL S 445 - "Topics in Globalization and Governance: Conservatism in North America": A topics course designed to explore the distinct conservative traditions of the three North American countries, and their recent convergence. Created by Julián Castro Rea, he taught this course four times, since the fall term 2009. Cross-listed as POL S 554 as graduate course.

POL S 488 - "The Politics of Mexico": A survey of the structure and dynamics of present-day Mexican politics. Julián Castro Rea created this course, he has taught it five times since its creation in the fall 2005. Cross-listed as POL S 571 as graduate course

POL S 571 - "Topics in Comparative Politics: Contemporary Mexican Politics": A graduate reading course, surveying the structure and dynamics of present-day Mexican politics. Winter term 2009.

POL S 445 - "Topics in Globalization and Governance: North America after September 11, 2001": A topics course designed to closely examine the political consequences of the 9/11 events. Taught in the fall 2007 term. Cross-listed as POL S 554 as graduate course.

POL S 446 - "Nation-States in the New International Political Economy: Evaluating NAFTA": A course designed to explore NAFTA's role in the global economy, its political implications, and its ability to deliver on its promises. Created by Julián Castro Rea, he taught it five times, since the fall term 2002. Cross-listed as POL S 540 as graduate course.

POL S 354 – "Topics in Comparative Politics: North American History and Society": An exploration of the origins of North America's current social realities. This course was woven with the Department's guest Speakers Series, to facilitate that students benefit from the presence of international experts on campus. Taught during the fall term 2005

POL S 478 - "Topics in Latin American Politics: Contemporary Mexico": A topics course

designed to study the structure and dynamics of present-day Mexican politics. Essentially the same contents as POL S 488 before its creation. Taught five times, starting in the fall term 1999. Cross-listed as POL S 571 as graduate course.

POL S 354 - "Topics in Comparative Politics: Canada, Mexico, the United States": An overview of the main political issues affecting North America, and the political dynamics and institutions in Canada, Mexico and the United States. Essentially the same contents of POL S 334 before its creation. Taught four times, from the fall terms 2000 through 2004.

CAN ST - "Canadian Cultures": An exploration of the diverse cultures that compose the Canadian tapestry. Taught in the fall 2001 term.

CAN ST - "Canadian Styles": An overview of the imprint that Canada has left over cultural production around the world. Taught during the winter 2002 term.

CAN ST - "Canadian Identities": A survey into the different sources of identity found in Canada: regional, national, ethnic, class, etc. Taught during the winter 2002 term.

CAN ST - "Canada is not (quite) the United States": An exploration into the intricate and ambiguous relationships linking Canada with the United States. Taught during the winter 2002 term.

CAN ST 101 - "Introduction to Canadian Studies": An overview of Canadian realities, from the identity, cultural, political, social and economic perspectives; as an introduction to the interdisciplinary field of Canadian studies. Taught in the fall 2000 term.

POL S - "Provincial Government and Politics": Review of the main determinants of the political process at the provincial level in Canada. Taught in the winter 2001 term.

POL S 470 – "Topics in Comparative Politics: Issues in Development Studies": A survey of the challenges that trade liberalization poses for international development. Taught in fall term 1999.

2. OTHER INSTITUTIONS

"Gobierno y problemas sociales en Canadá" (Government and Social Issues in Canada): An introduction to the interaction of social realities and political institutions in Canada. MA in US and Canadian Studies, Universidad Autónoma de Sinaloa, Culiacán, Mexico, May 2006.
