CURRICULUM VITAE August 2026

John Russell Parkins

Dean & Executive Officer | Augustana Campus
University of Alberta | 2-060 Forum, 4901 56 Ave, Camrose, Alberta, Canada
Email: jparkins@ualberta.ca
Academic Profile

AREAS OF RESEARCH INTEREST

social context of resource development | renewable and community energy | rural development

EMPLOYMENT

Dean and Executive Officer, Augustana Faculty, University of Alberta (2024 – present). Campus and Faculty leadership at the university campus in Camrose, Alberta, Canada

Professor, Department of Rural Economics and Environmental Sociology, Faculty of Agricultural, Life and Environmental Sciences, University of Alberta (2015 – present)

Associate Professor, Department of Rural Economics and Environmental Sociology, Faculty of Agricultural, Life and Environmental Sciences, University of Alberta (2007 – 2015)

Senior Sociologist, Social Science Research Group, Canadian Forest Service, Natural Resources Canada, Edmonton, Alberta (1998 – 2007)

Research Associate, Foothills Model Forest, Hinton, Alberta (1997 – 1998)

EDUCATION

PhD (2004) **Sociology**, University of Alberta, Edmonton, Alberta
Thesis title: Forest management and the public sphere: The case of public advisory committees in Alberta

MSc (1997) **Rural Sociology**, University of Alberta, Edmonton, Alberta
Thesis title: Farm Forestry Networking: Farmer Group Development in Kenya

BA (1990) **Business Administration**, Trinity Western University, Langley, British Columbia

APPOINTMENTS

Department Chair, Department of Resource Economics and Environmental Sociology, University of Alberta (2019-2024), Administrative leadership for the academic unit.

Adjunct Professor, Department of Sociology, University of Alberta (2015-2019)

Senior Research Fellow, Centre for Public Involvement, Faculty of Extension, University of Alberta (2014-2015)

Visiting Professor, Graduate Institute of Environmental Policy, National Dong Hwa University, Taiwan (2006)

TEACHING EXPERIENCE

Degree Programs	University of Alberta, Undergraduate and graduate programs: BSc in Environment and Conservations Science; BA in Environmental Studies: MSc/PhD in Rural Sociology
	R SOC 355 Rural communities and global economies (2008-2019) R SOC 375 Public participation and conflict resolution (2015-2019, 2023-24) R SOC 515 Quantitative social research methods (2009-2023) R SOC 430-530 Social and economic impact assessment (2005-2013)
Extension	Managing Conflict in the Extractive Sector (February, 2020), 5-day course delivered in Guanajuato, Mexico, sponsored by the Canada Pacific Alliance (University of Alberta International)
	Social Sustainability 101 (2016-2019), in conjunction with a Certificate in Rural Sustainability, Augustana Campus, University of Alberta. Intended for rural municipal leaders and councilors.
	EXERM 4287 Engaging Community for Renewable Energy Project Success (2021 to 2024) Semi-annual asynchronous, University of Alberta, Continuing and Professional Education. Intended for mid-career professionals.

SERVICE TO UNIVERSITY AND COMMUNITY

International Association for Society and Natural Resources (IASNR), Executive Secretary (2024 – 2026). Weekly executive meetings, quarterly council meetings, providing administrative support for the academic association.
International Association for Society and Natural Resources (IASNR), Committee Member (2021 – 2024) Diversity, Equity and Inclusion (DEI) Committee with bi-annual meetings.
Society & Natural Resources: An International Journal, Editorial Board Member (2017 – present) Review an average of five manuscripts per year plus semi-annual board meetings.
Alberta Emerald Foundation, Board Member (2022-present) Bi-monthly meetings, policy development and regular sub-committee work, providing leadership with this Alberta-based NGO.
Faculty Evaluation Committee, Elected Member and Department Chair (2017 to 2024) Faculty of Agricultural, Life & Environmental Sciences– semi-annual meetings evaluating annual reports, tenure and promotion decisions for all ALES faculty members.
University of Alberta, Research Ethics Board Oversight Committee (2018 – 2022) Quarterly meetings to review and update university Human Research Ethics Policy.
University of Alberta, Provost's Advisory Committee of Chairs (2020-2022) Monthly meetings to advise university administration on academic programs and university services.
University of Alberta, Chair's Council Executive (2020-2022) Monthly meetings of 12 chairs to coordinate meetings and provide leadership with department chairs campus wide (~65 chairs in total).
Faculty (ALES) Equity, Diversity and Inclusion Committee (2020-2022) Periodic meetings to advance anti-racism, decolonization and equity initiatives within the faculty.

Department of Resource Economics and Environmental Sociology, Graduate Program Coordinator (2014 to 2019) Responsible for admissions, student orientation, scholarships, examination committees, administration.
University of Alberta, **Research Ethics Board 1** (2015 – 2019) Committee Member, (interviews, focus groups, ethnographies, or community engagement), Research Ethics Office, review an average of three ethics applications per month plus occasional board meetings.
Alberta Emerald Foundation, Committee Member (2018 – 2021) Emerald Awards Judging Committee – annual evaluation of 15-20 nominations for provincial environment and sustainability awards.

AWARDS

North American Colleges and Teachers of Agriculture (NACTA) Teaching Award of Merit To encourage and recognize meritorious efforts in undergraduate teaching in the Faculty of Agricultural, Life and Environmental Sciences (2019)

Teaching Wall of Fame, Teacher of the Year. Selected for this award 8 times between 2008 and 2018. Faculty of Agricultural, Life and Environmental Sciences, University of Alberta.

International Engagement Award, Faculty of Agricultural, Life and Environmental Sciences, University of Alberta (2014)

Natural Resource Canada Departmental Merit Award for Collaboration and Partnership on the CCFM Criteria and Indicators Review Team (2004)

Canadian Forest Service Merit Award. Collaboration and Partnership on the CCFM Criteria and Indicators Review Team (2004)

Canadian Forest Service Merit Award. Team Achievement for exemplary contribution to Foothills Model Forest Social Science Research (2003)

Sustainable Forest Management Network PhD Scholarship, Edmonton, Alberta. $75,000 (2000-2004)

MSc Research Fellowship Award. International Centre for Research in Agroforestry, Kenya $30,000 (1996-1997)

2007 Connecting Communities: Rural and Urban. *Canadian Rural Revitalization Conference*, October 11-13, 2007. Vermillion, AB. Presentation: Risk factors of substance abuse in Alberta natural resource boomtown communities.

Annual Meeting of the Canadian Association of Geographers, May 29 – June 1, Saskatoon, SK. (Native Canadian Study Group). Presentation: Cultural adaptation and industrial development in the north: A synthesis of recent literature.

The 13th International Symposium of Society and Resource Management. June 17-21, Park City, Utah. Presentation: Substance abuse and boomtowns: A case study of social and economic risk factors

2006 *BC Community Forest Association Conference*. Community Forest Agreements: From Pilots to Performers, June 2-4, Burns Lake, BC. Delegate.

The 12th International Symposium of Society and Resource Management. June 3-8, Vancouver, BC. Presentation and Organized Session: Forest sector advisory committees in Canada: Critical insights from case studies and surveys.

Alberta's Environment Conference. May 2-5, Edmonton, AB. Presentation: Comparative analysis of well-being and resource-based communities.

Sustainable Forest Management Network Conference. June 20-22, Edmonton, AB. Presentation: Regional Differences between advisory committees in the forest sector of Canada. Presentation: Trends in forest sector dependence and well-being in Aboriginal communities.

2005 *The 11th International Symposium of Society and Resource Management*. June 16-19, Ostersund, Sweden. Presentation: Analysis of community sustainability criteria and indicators in the Canadian forest sector.

Annual Meeting of the *Canadian Sociology and Anthropology Association*, University of Western Ontario, June 3. Presentation: The distrustful citizen: theories and observations from small-group settings.

Climate Change and Canadian Society: Social Science Issues and Opportunities. Congress of Humanities and Social Sciences, University of Western Ontario, June 2. Presentation: A framework and assessment of vulnerability in rural and resource-based communities.

Adapting to Climate Change in Canada 2005: Understanding Risks and Building Capacity. May 4-7, Montreal, PQ. Presentation: Socio-economic Dimensions of community vulnerability to Mountain Pine Beetle.

Fifty-sixth Western Forest Insect Work Conference, Victoria, BC. Panel Presentation: Socio-economic dimensions of community vulnerability to the Mountain Pine Beetle.

2004 *Canadian Institute of Forestry / Society of American Foresters Joint 2004 Annual General Meeting and Convention*. Edmonton, AB. Co-organizer: International Panel Discussion and Roundtable discussion on community forestry in Canada, the U.S. and Mexico.

Tenth International Symposium on Society and Resource Management. June 2-6, Keystone, CO. Presentation: The de-centering of environmental governance: a history of public participation in Canadian forest management.

Contemporary Governance and the Question of the Social. June 11-13, Edmonton, AB. Presentation: Reconstructing social moments: A case study of public deliberation in the forest sector.

Communities and Natural Resources in Transition. Linking social scientists, decision makers, and practitioners for a sustainable future. February 17-19, Prince George, BC. Plenary speaker: Dispatches from the field: A sociologist's perspective on community-based research.

2003 *Aboriginal Forestry 2003*. Emerging issues and opportunities in Aboriginal Forestry. Proceedings of a conference and workshop held in Saskatoon, SK, Mar 5-6. Co-author:

Social and economic considerations: Climate change impacts and adaptation in forest based communities. Published by Canadian Forest Service, Northern Forestry Centre, Edmonton, AB.

Rural Sociological Society 66th Annual Meeting, Montreal, PQ, July 2003. Spatial Inequality: Continuity and Change in Territorial Stratification. Presentation: Public participation and public debate: a deliberative turn in natural resource management.

XII World Forest Congress. Quebec City.

Parkins. J.R. 2016. Understanding the Challenges of 'Social License' in Resource Management. AAFMP Workshop, Slave Lake, AB, April 5.

Parkins, J.R. 2016. *After Paris: COP 21 and Beyond.* University of Alberta, International Week.

Parkins, J.R., J. Bateman and E. Huddart-Kennedy. 2016. Identifying problem and solution frames from Twitter content at #COP21. *After Paris: A closer look at the 2015 UN Climate Convention*, Sponsored by the Petrocultures Research Group, January 28, Art Gallery of Alberta.

Parkins. J.R. 2014. Socio-economic assessment and public consultation in environmental assessment. *2014 Ecological protection and industry development training program, ChongQuing P.R.C.* October 15, Alberta School of Business, University of Alberta.

Huddart-Kennedy, E., J.R. Parkins and J. Johnston. 2014. Social Movements and the Citizen-Consumer: Lessons for changing environmental behaviour. *Alberta Council for Environmental*

Education, Edmonton Regional Community of Practice (Approx. 20 people), October 7, Edmonton, AB.

Parkins, J.R. 2014. Panel Discussant. Near zero emissions and Carbon capture and storage: Drawing lessons for successful implementation of CCS. The European Union Centre of Excellence at the University of Alberta, October 6, Alumni House.

Kilemo, D.B., J.Parkins, I.I. Kerario and S.J. Nindi. 2014. Community Based Environmental Impact Assessment: Lessons from the Diary goat and Root crops project in Mvomero and Kongwa districts. End-of-Project Workshop, *Integrated Dairy Goat and Root Crop Project, Sokoine University of Agriculture,* Morogoro, Tanzania. 19 August. (approx. 50 people)

Luckert, M.L. and J.R. Parkins. 2014. "Social Perspectives". Invited presentation as part of the session, "Challenges in Sustaining Forests for Communities: Economic and Sociological Perspectives". Presented at the *Canadian Institute of Forestry – Rocky Mountain Section*'s recognition of Whitecourt as Forestry Capital of Canada, March 2014. (approx. 75 people)

Parkins, J.R., T.M. Beckley, C. Hempel. 2014. Justifying energy landscapes: Comparing the discursive underpinnings of energy production in Canada. *University of Alberta Student Sustainability Summit,* January 24-25. (approx. 25 people)

Parkins, J.R., R. Stedman, T. Beckley. 2014. Social indicators, community sustainability and public participation in fRI and beyond. *Foothills Research Institute, Socio-Economic Program Workshop*, January 30, Lister Centre, University of Alberta

Parkins, J.R. 2012. Human environmental, natural resources and social sustainability in the energy sector. *School of Energy and the Environment (SEE)*, University of Alberta, June 6, 2012.

Parkins, J.R. 2011. Constraints on civic engagement in the Canadian forest sector: The experiences of women in public advisory committees. *Department of Renewable Resources Seminar Series*, University of Alberta, November 24.

Parkins, J.R. 2011. Forest management and forest certification. China National Audit Office, *Centre for International Business Studies*, School of Business, University of Alberta, March 1.

Parkins, J.R. 2011. Environmental impact assessment and public participation. China National Audit Office, *Centre for International Business Studies*, School of Business, University of Alberta, March 9.

Parkins, J.R. 2011. Enabling conditions for successful community transition. *Battle River Alliance for Economic (BREAD)* "Voices of Prosperity" Symposium, Killam Alberta, March 17.

Parkins, J.R. 2010. Social context of resource dependent communities. Presented to the *Canadian Senator's Alberta Oil Sands Tour*, McDougal Centre, Calgary Alberta, August 22th. Audience included Federal Government Senators, energy industry leaders and U.S. embassy staff in Calgary.

Parkins, J.R. 2010. Recent success and ongoing challenges for community forestry in Canada. *International Conference on Community Forestry*, Taipei, Taiwan, December 8. Audience included other international speakers from Japan, Korea, and Vietnam, and approximately 250 delegates from Taiwan.

Parkins, J.R. 2010. The influence of forestry on forest communities *(and the influence of forest communities on forestry).* Presentation to the *Vietnamese Forestry Delegation, Alberta School of Forest Science and Managemen*t, University of Alberta, November 17th. Audience included approximately 20 high level directors of forestry agencies in Vietnam, as part of a week-long training program on topics in Canadian forestry.

Davidson, D., U. Chakravorty, J.R. Parkins and R. Haluza-Delay. 2010. Nuclear energy in Alberta: What you need to know. *Symposium on Nuclear Power in Alberta*, January 31, Horowitz Theatre, University of Alberta. All authors gave presentations to interested media, stakeholders and the general public on the contents of a co-authored report.

Parkins, J.R. 2010. Enabling conditions for successful community economic transition. *Alberta Development Officers Association (ADOA),* October 6, Lloydminster, Alberta. Audience included approximately 50 economic development officers from municipalities in BC, Alberta, and Saskatchewan.

Parkins, J.R. 2009. Social context of resource dependent communities. Presented to the *Canadian Senator's Alberta Oil Sands Tour*, McDougal Centre, Calgary Alberta, August 24th. Audience included Federal Government Senators, energy industry leaders and U.S. embassy staff in Calgary. 20 participants.

Parkins, J.R. 2009. Social policy, environmental regulation, and the university. Presented to the *Forum on Water, Battle River Watershed Alliance*, Camrose, AB. Audience included approximately 50 members of local municipal leaders, provincial government and local non-government organizations.

Parkins, J.R. 2009. A history of social indicators research in the Canadian Forest Service. Presented to the *Canadian Model Forest Program meeting on Transition in Forest-based Communities*, Toronto, Ontario, December 10th. (Audience included government and university researchers, and community leaders in the Canadian Forest Communities Program).

Parkins, J.R. 2008. Prospects for public deliberation in rural Canada. *Faculty of Extension, University of Alberta* (Panelist for public seminar on public deliberation and the open society, May 22)

Parkins, J.R. and A. Angell. 2007. Rapid growth in the heartland: Social benefits and challenges. *Dow Centennial Centre, Fort Saskatchewan*. Audience included Family and Community Support Services, Alberta Industrial Heartland, community and industry leaders.

Parkins, J.R. 2007. Dynamics of community vulnerability: From capacity to collective action. *Department of Rural Economy, University of Alberta*. Seminar Series.

Parkins, J.R. 2007. Beyond Boredom: Contributing factors to substance abuse in Hinton, AB. *Yellowhead Synergy Group* (Oil and Gas industry), Edson, Alberta.

Parkins, J.R. 2007. Beyond Boredom: Contributing factors to substance abuse in Hinton, AB. *Family and Community Support Services (FCSS) Provincial Directors*, Camrose, Alberta.

Parkins, J.R. 2006. Assessing community capacity: (1) Volunteers and social capital, (2) Substance abuse in a resource-based community. *Opening Doors: A Community Conference*, Red Deer, Alberta.

Parkins, J.R. 2005. "Collecting the Evidence" Frameworks for assessing community sustainability. *Family and Community Support Services (FCSS) Annual Provincial Conference*, Hinton, Alberta.

Parkins, J.R. 2005. Forest public advisory boards: national survey results and lessons for practice *Fifth Meeting of the Association of Alberta Forest Public Advisory Committees*, Grande Prairie, Alberta.

Parkins, J.R. 2005. Forest sector policy approaches to sustainable communities. *Saskatchewan Federal Council*, Regina, Saskatchewan.

Parkins, J.R. 2004. Tools for public participation in forest management. Senior Managers and Senior Foresters, *Alberta Sustainable Resource Development*, Hinton, Alberta.

Parkins, J.R. 2004. Local-level Indicators of community sustainability in the Foothills Model Forest. *Montreal Process Technical Tour*, October 19-22, Foothills Model Forest, Hinton, Alberta.

Parkins, J.R. 2004. Tools and Evaluation Criteria for public participation in Forest Management. *Alberta Public Lands and Forest Division* staff (two-day workshop). Foothills Model Forest, Hinton, Alberta.

Parkins, J.R. 2003. "Is there a role for the social sciences in environmental management?" - Public participation in forest management. *Department of Rural Economy*, University of Alberta, Undergraduate student panel.

Parkins, J.R. 2002. Environmental risk and the construction of public preferences. Foothills Model Forest Growth and Yield Association, Chateau Lacombe, Edmonton, Alberta.

Parkins, J.R. 2002. Risk management: planning under uncertainty. Integrating Fire and Sustainable Forest Management Workshop, Environmental Training Centre, Hinton, Alberta.

Parkins, J.R. 2001. Public Involvement and forest management: Lessons from the 17th century coffee house. *Atlantic Forestry Centre*, Fredericton, NB.

Parkins, J.R. 2000. Analyzing (and enhancing) the community advisory group process for the Robson Valley Enhance Forest Management Pilot Project (EFMPP), EFMPP pilot project steering committee, McBride, BC.

Parkins, J.R. 2000. Indicators of the benefits of wilderness and biodiversity at a local level. Canadian Forest Service Sault Ste. Marie, Ontario

Parkins, J.R. 1999. An overview of social indicators measuring community sustainability in the Canadian forest sector. The Canadian Institute of Forestry (CIF), Banff, Alberta.

Parkins, J.R. 1998. An introduction to sociology in the forest sector. Prince Albert Model Forest, Prince Albert, Saskatchewan.

RESEARCH FUNDING

Principal Investigator

Tri- Council (SSHRC and NFRF) – Government of Canada

Pathways to energy democracy in Canada. **Social Science and Humanities Research Council (SSHRC), Insight Grant**, $338,000 (2023 – 2027). PI: Parkins (Alberta). Co-applicants: MacArthur (Royal Roads), Boucher and Pigeon (Saskatchewan), Marcoul and Banack (Alberta).

Challenges in sustaining beef and temperate grasslands in Alberta. **New Frontiers in Research Fund – Exploration (**Government of Canada), $247,420 (2020-2022), Collaborators: Carlyle, Goddard, Plastow (University of Alberta).

Imagination, expectation and deliberation: Pathways to wind energy landscape transitions in Alberta. **Social Science and Humanities Research Council (SSHRC)**, Insight Grant, $199,730 (2017 – 2021). Collaborators: Anders (Alberta), Sherren (Dalhousie), Davidson (Alberta).

Exploring and transforming a cultural imaginary of energy development in Canada. **Social Science and Humanities Research Council (SSHRC)**, Insight Grant, $380,190 (2012-2016), Collaborators: Beckley (UNB), Sherren (Dalhousie), Hempel (Guelph), Stedman (Cornell)

The social transformation of rural Canada: New insights into community, culture and citizenship. **Social Science and Humanities Research Council (SSHRC)**, Aid to Research Workshops and Conferences in Canada, $24,913 (2010). Collaborator: Reed (Saskatchewan)
