

Curriculum Vitae

Kärin L. Olson

Professor, Faculty of Nursing, University of Alberta

4-359 Edmonton Clinic Health Academy

11405 87 Ave., Edmonton, Alberta CANADA T6G 1C9

Phone: 780-492-6403 Fax: 780-492-2551

E-mail: karin.olson@ualberta.ca

Citizenship: United States of America and Canada

Registered to practice nursing in Alberta (Registration Number 35933) and Minnesota, USA

Canadian Nurses Association Certification in Hospice Palliative Care Nursing

(Registration Number 07134571)

Education

<i>Institution</i>	<i>Field of Study</i>	<i>Degree</i>	<i>Date</i>
University of Alberta	Educational Psychology	Ph.D.	1990
University of Toronto	Health Promotion	M.H.Sc	1981
University of Alberta	Nursing	B.Sc.N.	1976

Employment history

<i>Employer</i>	<i>Title</i>	<i>Dates</i>
Faculty of Nursing University of Alberta	Professor	2008-present
Faculty of Nursing University of Alberta	Associate Professor	2001-2007
International Institute for Qualitative Methodology	Project Director	1998-1999
Cross Cancer Institute	Coordinator, Nursing Research	1990-1999
	Co-director, Sociobehavioural Cancer Research Network, Alberta site	1994-1998
Faculty of Nursing University of Alberta	Assistant Professor (Community Health, Family Nursing, Nursing Theory)	1981-1991
Faculty of Nursing University of Alberta	Lecturer	1981
Edmonton Board of Health	Staff Nurse	1976-1979
University of Alberta Hospital	Staff nurse, neurology and rheumatology	1976

Cross appointments

<i>Institution</i>	<i>Dates</i>
Faculty of Medicine, University of Alberta Department of Oncology, Division of Palliative Medicine	Adjunct Associate Professor 2002-present

Research training

<i>Supervisor</i>	<i>Institution</i>	<i>Dates</i>
Dr. Janice Morse	International Institute for Qualitative Methodology	1999-2001
AHFMR Career Renewal Award: <u>Fatigue as a Response to Illness in Individuals with Advanced Cancer</u> . The purpose of this fellowship was to learn advanced qualitative research methods that could be used to study fatigue in advanced cancer.		
Dr. Steven Hunka	Dept of Ed. Psych., University of Alberta	1983-90
Doctoral dissertation: <u>Factors Associated with the Practice of Breast Self Examination</u> . This study used both qualitative (ethnoscience) and quantitative methodologies and a variety of multivariate statistical techniques (multiple regression, factor analysis, discriminant analysis).		

Awards

William Evans Fellowship, Otago University, Dunedin, New Zealand	2010-2010
Health Scholar Award	2003-2009
Alberta Heritage Foundation for Medical Research	
Health Career Renewal Award,	1999-2001
Alberta Heritage Foundation for Medical Research	
Pharmacia Research Award of Excellence,	1994
Canadian Association of Nurses in Oncology	
Province of Alberta Graduate Fellowship	1987-89
Province of Alberta Training Grant	1979-81

Postdoctoral fellows, graduate students, and honors students

<i>Student</i>	<i>Department</i>	<i>Responsibilities</i>	<i>Dates</i>
Deena Hamza	Medicine and Dentistry	Supervisory Committee	2015-present
Degree	PhD		
Title	Screening, brief intervention, and referral to treatment as a comprehensive public health approach to reduce substance abuse in adolescent populations: A school-based initiative for Grades 6 to 12,		
Emma Bereznicki	Nursing	Supervisor	2015-present
Degree	MN		
Title	To be determined		
Anastasia Kulpa	Education Policy Studies	Supervisory Committee	2015-present
Degree	PhD		
Title	The experience of assigning		

Failing grades

Luis Carlos Lopes Junior	Nursing, U of Sao Paolo Brazil	Co-advisor	2015-present
Degree Title	PhD Effects of a clown intervention On fatigue and psychological stress In children and adolescents with cancer Undergoing chemotherapy		
Piyarat Samantarath	Nursing, Mahidol University Thailand	Co-advisor	2015-present
Degree Title	PhD Multiple symptoms and their Influence on quality of life in Thai adolescents with hematological Malignancies receiving treatment		
Chandra Ashton	Medicine and Dentistry PhD	Supervisory Committee	2014-present
Degree Title	Effectiveness of a program For children who have witnessed Trauma		
Ashley Pasiorowski	Nursing, U of Alberta Masters in Nursing	Supervisor	2014-2015
Degree Title	Oligoanalgesia in adults seen in Emergency Departments with a Colles Fracture		
Anra Lee	Nursing, U of Alberta Masters in Nursing	Supervisor	2013-2015
Degree Title	Depression in adolescents with cancer		
Trina Thorne	Nursing, U of Alberta Masters in Nursing	Supervisor	2012-2014
Degree Title	Taste changes in advanced cancer		
Oxsana Zimka	Nursing, U of Alberta Masters in Nursing	Supervisor	2013-2016
Degree Title	Needs of younger head and neck cancer survivors		
Coates, Kathleen	Nursing, U of Alberta Masters in Nursing	Supervisor	2011-2013
Degree Title	The experience of being diagnosed with head and neck cancer as a young person		

Banks, Kathy Degree: Title:	Nursing, U of Alberta PhD in Nursing Making the decision to stay or leave an Abusive relationship during pregnancy	Supervisor	2010-2012
Manal Kleib Degree: Title:	Nursing, U of Alberta PhD in Nursing Teaching Health Informatics to Undergraduate Nursing Students	Supervisor	2010-2012
Richard Littleton Degree: Title	Nursing, U of Alberta Masters in Nursing Anemia and fatigue in the context of cancer	Supervisor	2009-2012
Gideon Puplampu Degree: Title:	Nursing, U of Alberta Masters in Nursing Specializing in HIV/AIDS Nursing	Supervisor	2009-2011
Britt-Marie Burnhardtson Degree: Title:	Nutrition, U of Alberta Postdoctoral Fellow Sensory Changes in Advanced Cancer	Co-Supervisor	2009-2010
Danielle Gagnon Degree: Title:	Nursing, U of Alberta Doctor of Philosophy Sleep in Caregivers	Supervisor	2009-present
Darlaine Jansen Degree: Title:	Nursing, U of Alberta Doctor of Philosophy Learning to Nurse Well	Supervisory Committee	2008-2012
Kerry Moore Degree: Title:	Nursing, U of Alberta Master of Nursing Development of a Fatigue Clinic	Capstone Supervisor	2008-2010
Breanne Neiman Degree: Title:	Nursing, U of Alberta Bachelors of Science in Nursing (Honours) Informed Consent and Patient Burden in Clinical Research	Mentor	2007-2010
Karmen Schmidt Degree: Title:	Nursing, U of Alberta Masters Validating the Head and Neck Symptom Checklist	Supervisor	2007-2011
Joanne Hewitt Degree: Title:	Nursing, U of Alberta Doctor of Philosophy Cognitive changes during chemotherapy	Supervisor	2007-2015

Julie Vanderkloet Degree: Title:	Nutrition Masters Understanding purchase motivations of organic food consumers	Supervisory committee	2007-2008
Susan Horseman Degree: Title	Nursing, U of Alberta Masters in Nursing Quality of life in colorectal cancer	Thesis supervisor	2006-2009
Cath Smith Degree Title:	Physiotherapy Otago University Dunedin, New Zealand Doctor of Philosophy How does the experience of fatigue in people with multiple sclerosis change during an eight week exercise programme?	External advisor	2006-2010
Claudette Taylor Degree: Title:	Nursing, U of Alberta Doctor of Philosophy Sleep as a contributor to fatigue in cancer patients	Supervisor	2006-2015
Cathy Kubrak Degree: Title:	Nursing, U of Alberta Doctor of Philosophy Nutritional status in individuals with head or neck cancer	Co-Supervisor	2005-2008
Jinbo Fang Degree: Title:	Nursing Chiang Mai University Chiang Mai, Thailand Doctor of Philosophy Factors influencing fatigue in Chinese nurses	Supervisory committee	2005-2008
Susanna Edwards Degree: Title:	Nursing, U of Alberta Doctor of Philosophy Relinquishing control in palliative care	Supervisor	2002-2009
Lynn Eldershaw Degree: Title:	Sociology Postdoctoral Fellow Dying alone	Supervisor	2007-2008
Cathy Carter-Snell Degree: Title:	Nursing, U of Alberta Doctor of Philosophy Women's injuries and services utilized after recent sexual assault	Supervisor	2007-2008

Monica Hellinga Degree: Title:	Nursing Bachelors in Nursing (Honours) Cognitive change as a correlate of fatigue in cancer	Mentor	2006-2008
Tina Karinen Degree: Title:	Physical Education Doctor of Philosophy Exercise motivation and quality of life in endometrial and bladder cancer survivors	Final Committee member	2006-2007
Wendy Wismer Degree: Title:	Nutrition, U of Alberta Postdoctoral Fellow Dietary patterns, perceptions of food, and motivation to eat in palliative care patients	Co-supervisor	2005-2006
Kathy O'Leary Degree: Title:	Nursing, U of Alberta Masters in Nursing A qualitative examination of how newly diagnosed breast cancer patients evaluate evidence relevant to their diagnosis and treatment choices	Supervisory Committee	2005-2008
Reanne Booker Degree: Title:	Nursing, U of Alberta Masters in Nursing The relationship between symptom severity, symptom distress and markers of tumor burden in individuals with multiple myeloma	Supervisor	2004-2007
Mahdieh Dastjerdi Degree: Title:	Nursing, U of Alberta Doctor of Philosophy Health care seeking practices among Persian immigrants to Canada	Co-supervisor	2002-2007
Barry Bhala Degree: Title:	Dentistry, U of Alberta Master of Science (Orthodontics) Qualitative analysis of selection criteria for Canadian graduate orthodontic students	Supervisory Committee	2004-2006
Jeremy Shragge	Nutrition, U of Alberta	Supervisory Committee	2004-2006

Degree:	Master of Science		
Title:	Psychosocial and dietary management of anorexia by patients with advanced cancer		
Kathryn Calder	Nursing, U of Alberta	Capstone Supervisor	2003-2008
Degree:	Masters in Nursing		
Title:	A Genetics Primer for Nurses		
Lorelei Sawchuk	Nursing, U of Alberta	Supervisor	2003-2007
Degree:	Masters in Nursing		
Title:	What factors determine EOL placement (long term care vs. hospice)		
Nan Cox	Nursing, U of Alberta	Supervisor	2001-2006
Degree:	Masters in Nursing		
Title:	Hemoglobin as a predictor of transplant outcomes in patients diagnosed with multiple myeloma		
Catherine Thornberry	Nursing, U of Alberta	Capstone supervisor	2001-2006
Degree:	Masters in Nursing		
Title:	Only vulnerable people get abused		
Gail Couch	Nursing, U of Alberta	Academic advisor	2001-2005
Degree:	Masters in Nursing		
Krista Lachance	Nursing, U of Alberta	Capstone evaluator	2001-2004
Degree:	Masters in Nursing		
Title:	Using Warfarin to reduce clots in central venous catheters		
Louanne Keenan	Human Ecology, U of AB	Supervisory Committee	2000-2002
Degree:	Doctor of Philosophy		
Title:	Informed refusal of adjuvant breast cancer therapy		
Agnes Cheng	Nursing, U of Alberta	Committee member	1996-1999
Degree:	Masters in Nursing		
Title:	The experience of Chinese cancer patients in treatment Decision-making		
Rhea Plouffe	Theology, U of Alberta	Committee member	1996-1998
Degree:	St. Stephen's College Doctor of Ministry		
Title:	Transitional phenomena: soul journey in the transitional space		

Shirley Akai Degree: Title:	Nursing, U of Alberta Masters in Nursing A randomized trial comparing heparinized saline and normal saline flush solutions in pediatric cancer patients with tunneled right atrial catheters	Capstone co-supervisor	1995-1997
Donna DeMoissac Degree: Title:	Nursing, U of Alberta Masters in Nursing Changing Intravenous Infusion Sets: Is 48 versus 24 Hours Safe for Neutropenic Cancer Patients?	Committee member	1994-1996
Bruce Bailey Degree: Title:	Theology, St. Stephen's College Doctor of Divinity From the heart: Living the experience of hope	Committee member	1992-1996
Linda Read Paul Degree: Title:	Nursing, U of Alberta Masters in Nursing Hope in the Patient with Recurrent Cancer	Co-supervisor	1992-1994
Shirley Schooler Degree: Title:	Nursing, U of Alberta Masters in Nursing Anticipatory grief in spouses of patients with cancer	Co-supervisor	1992-1993
Sandra McKinnon Degree: Title:	Nursing, U of Alberta Masters in Nursing The meaning of ethical practice for the oncology nurse	Co-supervisor	1991-1994
Priscilla Koop Degree: Title:	Family Studies, U of Alberta Doctor of Philosophy Stress, appraisal and coping with cancer	Committee member	1991-1994
Ted Birse Degree: Title:	Nursing, U of Alberta Masters in Nursing The prevalence of chronic pain in Edmonton	Committee member	1991-1994

Professional service

Visiting Professorships

University of Otago, Dunedin, New Zealand
 Catholic University of the Sacred Heart, Milan, Italy
 Visiting Professor in Qualitative Methods
 Chang Mai University, Chang Mai, Thailand
 Visiting Professor in Qualitative Methods
 Mahidol University, Bangkok, Thailand

Feb-March 2010
 April 2008

March 2004
 May 2002
 May 2004

Visiting Professor in Oncology
McGill University, Canada

Dec. 2001

<i>University Community</i>	<i>Responsibilities</i>	<i>Dates</i>
Integrative Health Institute Board of Directors	Member	2015-present
President's Review Committee	Member	2015-present
Faculty of Nursing Evaluation Committee	Member	2014-present
Scientific Committee, Qual. Health Rch Conf.	Chair	2006-2007
International Institute for Qual. Meth.		
Scientific Committee, Ad. in Qual. Methods Conf.	Chair	2005-2006
International Institute for Qual. Meth.		
Faculty of Nursing Evaluation Committee	Member	2008-2010
Faculty of Nursing Chronicity Research Group	Member	2007-present
Faculty of Nursing Research Advisory Committee	Member	2007-2010
Faculty of Nursing Research Review Committee	Chair	2007-2010
Faculty of Nursing Graduate Education	Member	2005-2008
Faculty of Nursing Graduate Program Review	Member	2006-2008
Faculty of Physical Education Research Ethics	Member	2005-2006
Thinking Qualitatively Summer School	Taught several Half-day courses on subjects related to qualitative research	2003 -2015
St. Stephen's College	Supervisor, Senior Practica	1995-1996
<i>Edmonton Community</i>		
Edmonton Palliative Program Council	Member	2006-2012
Edmonton Regional Science Fair	Judge	1995-1997
Nursing Practice	Member	1991-1999
Cross Cancer Institute		
Cross Cancer Institute Products and Procedures	Member	1991-1998
Faculty of Nursing, University of Alberta	Preceptor	1991-1998
Cross Cancer Institute Nursing Management	Member	1990-1998
Nursing Research	Chair	1990-1999
Cross Cancer Institute		
Research Awards Committee	Member	1990-1999
