

CURRICULUM VITAE

NAME: Venu Jain, MD, PhD, FRCSC, FRCOG

ADDRESS: 5S131 Lois Hole Hospital for Women
10240 Kingsway
Edmonton, Alberta T5H 3V9

Tel: 780 735 4812

Fax: 780 735 4981

E-mail: venu.jain@albertahealthservices.ca

CURRENT POSITION/APPOINTMENTS:

2023- present Professor, Maternal Fetal Medicine
Department of Obstetrics & Gynecology
University of Alberta, Edmonton, Alberta

2007 - present Staff Obstetrician & Gynecologist and MFM Specialist
Royal Alexandra Hospital, Edmonton, Alberta

EDUCATION AND WORK EXPERIENCE:

2018 - 2023 Co-Chair, Lois Hole Hospital for Women Quality Assurance
Sub-Committee, Royal Alexandra Hospital, Edmonton, Alberta

2012 - 2023 Co-Chair, MoreOB Program, Royal Alexandra Hospital,
Edmonton, Alberta

2009 - 2018 Program Director, Undergraduate Medical Education
Department of Obstetrics & Gynecology, University of Alberta

20013 - 2023 Associate Professor, Maternal Fetal Medicine, Department of Obstetrics &
Gynecology, University of Alberta, Edmonton, Alberta

2007 - 2013 Assistant Professor, Maternal Fetal Medicine, Department of Obstetrics &
Gynecology, University of Alberta, Edmonton, Alberta

2005-2007 Clinical Fellow, Maternal Fetal Medicine, Obstetrics & Gynecology,
Mount Sinai Hospital, University of Toronto, Toronto, ON

2003-2005 Lecturer/Senior Specialist Registrar in Obstetrics & Gynaecology,
Queen Charlotte's Hospital, Imperial College London, London, UK

1998-2002 Residency Training Program – Obstetrics & Gynecology,
University of Texas Medical Branch, Galveston, Texas, USA

1993-1998 Ph.D. – Physiology & Biophysics/Obstetrics & Gynecology,
University of Texas Medical Branch, Galveston, Texas, USA

1992-1993 Junior Faculty (Demonstrator), Pharmacology,
Chandigarh Medical College, Chandigarh, India

1986-1992 M.B., B.S. - Government Medical College, Patiala, India
 Certified by the Educational Commission for Foreign Medical Graduates,
 Philadelphia, PA, USA (1995)

PROFESSIONAL QUALIFICATIONS:

Fellow of the Royal College of Surgeons of Canada (Obstetrics & Gynecology) (2005)

Member of the Royal College of Obstetricians & Gynaecologists (UK) (2006)

Certification, Maternal Fetal Medicine, Royal College of Surgeons of Canada (2008)

Fellow of the Royal College of Obstetricians & Gynaecologists (UK) (2018)

AWARDS:

1986 Certificate of Merit, Dayanand Anglo-Vedic College, Chandigarh, India

1989 College Color, Government Medical College, Patiala, India

1997 Servier Young Investigator Award, 7th International Symposium on Mechanisms of Vasodilation, Maastricht, The Netherlands

2000 Best Resident Award, Department of Obstetrics and Gynecology,
 University of Texas Medical Branch, Galveston, Texas, USA

2000 Central Association of Obstetrics and Gynecology Fellowship Award, CAOG Annual Meeting, Chicago, Illinois, USA

2001 Association of Professors of Gynecology and Obstetrics/Parke-Davis Scholar Award, CREOG and APGO Annual Meeting, Lake Buena Vista, Florida, USA.

2002 Outstanding Faculty Teacher Award, Department of Obstetrics and Gynecology,
 University of Texas Medical Branch, Galveston, Texas, USA

2006 Scios Travel Award, XV Annual Meeting of the International Society for the Study of Hypertension in Pregnancy, Lisbon, Portugal

2007 Certificate of Appreciation, Top 100 reviewers list, American Journal of Obstetrics and Gynecology

2008 Excellence in Clinical Resident Education - Richard Day Award,
 Department of Obstetrics and Gynecology, University of Alberta, Edmonton.

2009 CREOG National Faculty Award for Excellence in Resident Education

2010 Outstanding Reviewer of the Journal, American Journal of Obstetrics and Gynecology.

RESEARCH GRANTS:

Richard & Jack Wiseman Trust 2004-06: Pathological basis of twin-twin transfusion syndrome.
 (PI – NM Fisk) - £80,000.

Institute of Obstetrics & Gynaecology Trust 2003 (DPCH3440). Start up grant for vascular laboratory. (PI – V Jain) - £35,000.

Institute of Obstetrics & Gynaecology Trust 2004-05 (DPCH3440). Fetal programming of adult vascular disease. (PI – V Jain) - £33,466.

TD Bank Grants in Medical Excellence/Genesis Research Foundation Award in the Department of Obstetrics and Gynaecology 2006-07 (Fellowship grant) - \$55,000.

Physicians' Services Incorporated Foundation 2007. Induction and characterization of IUGR by sub-lethal injections of gcm-1 siRNA into the embryonic exocoelomic cavity in mice. (PI – V Jain) - \$19,500.

WCHRI Internal Grant 2008. Oral use of lactobacilli in management of pregnant women with preterm premature rupture of membranes. (PI – V Jain) - \$30,000.

WCHRI Internal Grant 2008. Evolving role of first trimester fetal echocardiography. (PI – Lisa Hornberger) – \$30,000.

FOMD/AHS Emerging Team Grant 2009-12. Sugar Mommies: The effect of dietary fructose on pregnancy and infant outcomes. (PI – Rhonda Bell) – \$300,000.

CIHR Meeting, Planning and Dissemination Grant: International 2009-10. Twin-to-twin transfusion syndrome: Pathogenic mechanisms & relevance to congenital heart disease. (PI – Lisa Hornberger) – \$19,953.

WCHRI Innovation Grant 2010-2012. Anatomical and Functional Predictors of Fetal Lung Hypoplasia. (PI – Lisa Hornberger) – \$30,000.

WCHRI Bridge Funding Grant 2012-2012. Fetal Cardiovascular Programming in Maternal Diabetes: Longitudinal Investigation from the Fetal Stage to early Childhood. (PI – Lisa Hornberger) – \$40,000.

National Health and Medical Research Council of Australia Grant 2011-2014. MCA Doppler Study. Multi-centre Randomized Controlled Trial. Local principal investigator. (PI – Prof. Jodie Dodd, University of Adelaide, Australia) – \$479,000

Alberta Innovates – Health Solutions Collaborative Research & Innovation (AIHS CRIO) Program Award 2013-2018 Promoting appropriate maternal body weight in pregnancy and postpartum through healthy dietary intake. (PI – Rhonda Bell) - \$2,500,000

CIHR Project Grant 2022-2027. Gut microbiota as a biological pathway linking social determinants, maternal mental health, and child neurodevelopment. (PI – Maria Ospina) – \$1,350,225.

OTHER COMMITTEES:

National

| | |
|----------------|--|
| 2023 – present | Director of Board, Society of Obstetricians and Gynecologists of Canada |
| 2021 – present | Member, Guideline Management and Oversight Committee, Society of Obstetricians and Gynecologists of Canada |
| 2019 – present | President, Canadian Society of Maternal Fetal Medicine |
| 2019 – 2023 | Co-chair, Maternal Fetal Medicine committee, The Society of Obstetricians and Gynaecologists of Canada |

| | |
|------------------------|--|
| 2018 – 2023 | Member, Choosing Wisely Working Group, Society of Obstetricians and Gynecologists of Canada |
| 2019, 2021, 2022, 2023 | Member, Conference Organizing Committee, Annual Clinical and Scientific Conference, Society of Obstetricians and Gynecologists of Canada |
| 2017 – 2019 | Member, Academic Council, Society of Obstetricians and Gynecologists of Canada |
| 2017 – 20119 | Member, Maternal Fetal Medicine committee, The Society of Obstetricians and Gynaecologists of Canada |
| 2017 – 2023 | Member, Diagnostic Imaging committee, The Society of Obstetricians and Gynaecologists of Canada |
| 2017 – present | Examiner, Royal College International/KIMS (Kuwait) |
| 2017 – present | Examiner, Obstetrics & Gynecology, Royal College of Physicians and Surgeons of Canada |
| 2015 – present | Member, National Fetal Health Surveillance Steering Committee |
| 2014 - 2019 | Board of Directors, Association of Professors of Obstetrics and Gynecology |
| 2014 - 2018 | Chair, Undergraduate Committee, Association of Professors of Obstetrics and Gynecology/SOGC |
| 2011 - 2014 | Vice Chair, Undergraduate Committee, Association of Professors of Obstetrics and Gynecology |
| 2013 - present | Member, Obstetric Indicator Expert Advisory Group, Canadian Institute for Health Information |
| 2011 - 2018 | Member, Promotion of Subspecialty Committee, Society of Obstetricians and Gynecologists of Canada |
| 2011, 2014 | Member, Annual General Meeting Planning Committee, Association of Professors of Obstetrics and Gynecology |
| 2011 - 2012 | Member, Conference Organizing Committee, 2012 International Symposium on Pediatric Cardiology, Banff. |

Regional

| | |
|-------------|---|
| 2022, 2023 | Member, Conference Organizing Committee, West-Central CME, Society of Obstetricians and Gynecologists of Canada |
| 2016, 2018 | Member, Conference Organizing Committee, Canadian National Perinatal Research Meeting (Annual Research Conference), Banff |
| 2008 - 2012 | Member, Conference Organizing Committee, Western Perinatal Research Meeting (Annual Research Conference), Banff. |

| | |
|----------------|--|
| 2008 - 2012 | Conference Organizing Committee, Annual Women's Health Conference, Edmonton. |
| 2009 - 2011 | Treasurer, Edmonton Society of Obstetricians and Gynecologists |
| 2009 | Alberta Perinatal Health Program Committee Meeting (representative for MFM) |
| 2010 | Women's Health Council Meeting (representative for MFM) |
| 2011 - present | Member, Medical Education Committee, Royal Alexandra Hospital |
| 2012 - present | Member, Women's and Children's Health Research Institute – Lois Hole Hospital for Women Research Space Committee |

Faculty

| | |
|----------------|--|
| 2022 – present | Interim clerkship coordinator, Undergraduate Medical Education, Department of Obstetrics & Gynecology, University of Alberta |
| 2009 - 2018 | Member, Clerkship and Elective Coordinators Committee, Faculty of Medicine & Dentistry, University of Alberta |
| 2010 - 2018 | Member, Academic Standing Committee, Faculty of Medicine & Dentistry, University of Alberta |

Departmental

| | |
|----------------|---|
| 2008 - present | Member, Departmental Executive Committee |
| 2009 - 2017 | Member, Resident Training Committee, Department of Obstetrics & Gynecology, University of Alberta |

MEMBERSHIP IN SCIENTIFIC SOCIETIES:

| | |
|----------------------------|--|
| Member; 1998 - present | International Society of Perinatal Obstetricians. |
| Junior Fellow; 1998 - 2002 | American College of Obstetricians and Gynecologists. |
| Member; 2004 - present | Fetal and Neonatal Physiological Society. |
| Member; 2006 - present | Society of Obstetricians and Gynecologists of Canada. |
| Member; 2006 - 2007 | Ontario Medical Association. |
| Member; 2006 - present | Canadian Medical Association. |
| Member, 2007 - present | Alberta Medical Association |
| Member, 2007 - present | Women and Children's Health Research Institute |
| Member, 2008 - present | International Society of Prenatal Diagnosis |
| Member, 2009 - present | Association of Professors in Obstetrics and Gynecology |

INVITED PRESENTATIONS/LECTURES:

1. Vascular effects of corticotropin releasing factor in pregnant rats. University of Modena and R. Emilia, Modena, Italy, Feb 2, 2000.
2. Altered vascular reactivity and myometrial contractility in pregnancy. Institute of Reproductive and Developmental Biology, Imperial College, London, UK, Jan 10, 2003.
4. Altered vascular reactivity and myometrial contractility in pregnancy. Department of Obstetrics and Gynaecology, University of Warwick, Coventry, UK, Jan 14, 2003.
6. Antenatal diagnosis and evaluation of hydronephrosis. At: Controversies in Perinatal Medicine and Surgery Meeting, Toronto, Ontario, Sep 15-16, 2006.
7. Twin-twin transfusion syndrome: More than meets the eye? Department of Obstetrics and Gynecology, Royal Alexandra Hospital, University of Alberta, Edmonton, Alberta, Feb 23, 2007.
8. Twins: Two for the price of one? Department of Obstetrics and Gynecology, Toronto East General Hospital, Toronto, Ontario, Feb 28, 2007.
9. Pregnancy with systemic lupus erythematosus. NICU/Perinatal rounds, Royal Alexandra Hospital, Edmonton, Sep 25, 2007.
10. Use of Doppler in obstetric ultrasound. NAIT/Radiology teaching rounds. Glenrose Hospital, Edmonton, Oct 17, 2007.
11. Exercise and pregnancy. Department of Sports Medicine, University of Alberta, Edmonton, Nov 15, 2007.
12. Twins: Two for the price of one? Department of Obstetrics and Gynecology, Grey Nuns Hospital, Edmonton, Dec 14, 2007.
13. Exercise and pregnancy. NICU/Perinatal rounds, Royal Alexandra Hospital, Edmonton, Dec 18, 2007.
14. Isoimmunization in pregnancy. Department of Hematological Pathology, University of Alberta, Edmonton. Apr 1, 2008.
15. Short Cervix: What does it mean? NICU/Perinatal rounds, Royal Alexandra Hospital, Edmonton, Apr 22, 2008.
16. Obstetrics Review. Bredin Institute, Edmonton. Apr 24, 2008.
17. Isoimmunization in Pregnancy. NICU/Perinatal rounds, Royal Alexandra Hospital, Edmonton, May 13, 2008.
18. Thrombocytopenic Purpura (TTP) in Pregnancy: Rare, but Deadly. NICU/Perinatal rounds, Royal Alexandra Hospital, Edmonton, Sep 9, 2008.
19. High Risk Pregnancy and Antenatal Surveillance - What is the Evidence? NICU/Perinatal rounds, Royal Alexandra Hospital, Edmonton, Sep 30, 2008.
20. Antepartum Hemorrhage. Women's Health Conference, Edmonton, November 21, 2008.
21. Multiple Pregnancy: Is More Merrier? Women's Health Conference, Edmonton, Nov 21, 2008.
22. Oral Use of Lactobacilli in Management of Pregnant Women with Preterm Premature Rupture of Membranes. Women & Children's Health Research Institute Research Day, Edmonton, Nov 26, 2008.
23. Current Concepts in Prediction of Preterm Labor. Women's Health Conference, Edmonton, Nov 13-14, 2009
24. A Tale of TRAPped Twins. NICU/Perinatal rounds, Royal Alexandra Hospital, Edmonton, Nov 24, 2009.
25. Intrauterine transfusion. SUPER 4th Annual Education Day, Edmonton, February 27, 2010.

26. Obstetrics Doppler: Current Trends. Alberta Diagnostic Sonographers Association Obstetric Update 2010, Edmonton, Jun 19, 2010.
27. Obstetric Doppler Ultrasound: When and Why? NICU/Perinatal rounds, Royal Alexandra Hospital, Edmonton, Sep 28, 2010.
28. Complications of Multiple Pregnancy - Diagnosis and Management. National CME in Obstetrics and Gynecology, All India Institute of Medical Sciences, New Delhi, India. Nov 28, 2010.
29. Management of Multiple Pregnancy. North Central Operating Room Nurses Association Meeting, Edmonton. Dec 1, 2010.
30. Intrauterine fetal transfusion: Why, When, How? NICU/Perinatal rounds, Royal Alexandra Hospital, Edmonton, Jan 18, 2011.
31. Controversies in Perinatal Medicine. NICU/Perinatal rounds, Royal Alexandra Hospital, Edmonton, Feb 4, 2011.
32. Structural anomalies not to miss in the first trimester scan. Workshop on Advanced Ob/Gyn Ultrasound Skills, Al-Jahra Hospital, Kuwait, Apr 17-19, 2011.
33. Doppler Ultrasound in Obstetrics – State of the Art. Workshop on Advanced Ob/Gyn Ultrasound Skills, Al-Jahra Hospital, Kuwait, Apr 17-19, 2011.
34. Ultrasound examination of the fetal heart. Workshop on Advanced Ob/Gyn Ultrasound Skills, Al-Jahra Hospital, Kuwait, Apr 17-19, 2011.
35. Ultrasound evaluation of placental insufficiency. Workshop on Advanced Ob/Gyn Ultrasound Skills, Al-Jahra Hospital, Kuwait, Apr 17-19, 2011.
36. Congenital Anomalies of Kidney and Urinary Tract – Much Ado About Nothing? NICU/Perinatal rounds, Royal Alexandra Hospital, Edmonton, May 31, 2011.
37. Obstetric Ultrasound 101. Women's Health Conference, Edmonton, Oct 28-29, 2011.
38. Maternal and Fetal Implications of Cardiac Surgery. NICU/Perinatal rounds, Royal Alexandra Hospital, Edmonton, Nov 1, 2011.
39. Complex Case Rounds - EXIT procedure. NICU/Perinatal rounds, Royal Alexandra Hospital, Edmonton, Nov 8, 2011.
40. Fetal Hydrops. 12th Annual One-Day Workshop, Alberta Neonatal Nurses Association, Edmonton, November 25, 2011.
41. FNAIT: A new twist to an old story. NICU/Perinatal rounds, Royal Alexandra Hospital, Edmonton, Mar 6, 2012.
42. Screening for FNAIT. Perinatal meeting, Canadian Blood Services, April 19, 2012.
43. Antepartum FHS and NST Interpretation and Classification Workshop. Royal Alexandra Hospital, Edmonton, Apr 27, 2012.
44. Management of Fetal Demise with Misoprostol. Obstetric Education Day, Alberta Perinatal Health Program, Wainwright, Alberta, Nov 5, 2012.
45. Management of Postpartum Hemorrhage. Obstetric Education Day, Alberta Perinatal Health Program, Wainwright, Alberta, Nov 5, 2012.
46. Electronic Fetal Monitoring - Case Studies. Obstetric Education Day, Alberta Perinatal Health Program, Wainwright, Alberta, Nov 5, 2012.
47. Management of the Pregnant Trauma Patient. Obstetric Education Day, Alberta Perinatal Health Program, Wainwright, Alberta, Nov 5, 2012.
48. Gestational Diabetes. Obstetric Education Day, Alberta Perinatal Health Program, Wainwright, Alberta, Nov 5, 2012.

49. Preterm Labor. Obstetric Education Day, Alberta Perinatal Health Program, Wainwright, Alberta, Nov 5, 2012.
50. Gestational Hypertension. Obstetric Education Day, Alberta Perinatal Health Program, Wainwright, Alberta, Nov 5, 2012.
51. Interpretation of the Obstetrical Ultrasound. Obstetric Education Day, Alberta Perinatal Health Program, Wainwright, Alberta, Nov 5, 2012.
52. Obstetric Ultrasound 101. NICU/Perinatal rounds, Royal Alexandra Hospital, Edmonton, Nov 20, 2012.
53. Complications in twin pregnancy. Department of Obstetrics and Gynecology, San Juan de Luringancho Hospital, Lima, Peru, Dec 20, 2012.
54. Obstetric Ultrasound 101 – Part 2. NICU/Perinatal rounds, Royal Alexandra Hospital, Edmonton, Nov 20, 2012.
55. AHS Fetal Health Surveillance Workshop, Royal Alexandra Hospital, Edmonton, Feb 7, 2013.
56. Provincial Fetal Health Surveillance Workshop, Royal Alexandra Hospital, Edmonton, Apr 23, 2013.
57. More OB Workshop, Royal Alexandra Hospital, Edmonton, Apr 23, 2013.
58. Exercise in Pregnancy. Grand Rounds, Grey Nuns Hospital, Edmonton, Feb 8, 2013.
59. Doppler Ultrasound, Department of Radiology Ultrasound Telerounds, Royal Alexandra Hospital, Edmonton, May 1, 2013.
60. Workshop - Tips and Tricks of Assisted Vaginal Delivery, SOGC West/Central CME, 2 April 2016, Banff, Alberta.
61. Workshop – Obstetrical Trauma Patient, SOGC West/Central CME, 2 April 2016, Banff, Alberta.
62. An update in Current Obstetrics – Outreach teaching for rural Alberta, Barrhead, Mar 23, 2016.
63. The Dos and Don'ts of Trauma in Pregnancy, The Trauma Symposium, June 3 2016, Edmonton, Alberta.
64. Management of late preterm deliveries. Misericordia Hospital, Edmonton, May 5, 2016.
65. Enhanced Skills Workshop – Intrapartum Fetal Heart Surveillance, SOGC Annual Clinical & Scientific Conference, 20 June 2017, Ottawa, Ontario.
66. Choosing Wisely in Obstetrics. NICU/Perinatal rounds, Royal Alexandra Hospital, Edmonton, April 10, 2018.
67. Use of Antibiotics in the Peripartum Period. Department of Neonatology, University of Calgary, Calgary, Alberta, May 15, 2018.
68. Enhanced Skills Course: Fetal Health Surveillance Refresher: A Systematic Approach to a Complex Algorithm. SOGC Annual Clinical & Scientific Conference, June 26-29, 2018 in Victoria, British Columbia.
69. Little Big talk: Steroids before 24 and after 34 weeks. SOGC Annual Clinical & Scientific Conference, June 26-29, 2018 in Victoria, British Columbia.
70. Workshop: Steroids before 24 and after 34 weeks. SOGC Annual Clinical & Scientific Conference, June 26-29, 2018 in Victoria, British Columbia.
71. Workshop: Skills Drills and Simulation. SOGC Annual Clinical & Scientific Conference, June 26-29, 2018 in Victoria, British Columbia.
72. Steroids before 25 and after 34 weeks. NICU/Perinatal rounds, Royal Alexandra Hospital, Edmonton, March 5, 2019.

73. "Elective" induction at term debate (with Drs. Cooper & Wood). SOGC West Central CME, March 14-16, 2019 in Lake Louise, Alberta.
74. Choosing Wisely – Antibiotic stewardship in obstetrics. SOGC West Central CME, March 14-16, 2019 in Lake Louise, Alberta.
75. Workshop: Management of PPROM (with Drs. Kent, Cooper & Kuret). SOGC West Central CME, March 14-16, 2019 in Lake Louise, Alberta.
76. Doppler ultrasound in Obstetrics. ACMDTT conference, May 11.2019 in Edmonton, Alberta.
77. Risks associated with ART pregnancies. Fertility and Reproductive Medicine Symposium. October 23, 2019, Edmonton, Alberta.
78. Antenatal Fetal Surveillance: A sonographer's perspective. Radiology rounds, North and Central Alberta, January 22, 2020, Edmonton, Alberta.
79. Guideline on diagnosis and management of placenta previa. SOGC Live Interactive Forum. August 26, 2021 (virtual/online).
80. Screening, prevention & risk management of macrosomia-associated brachial plexus injury. SOGC West Central CME, March 20, 2021 (virtual/online).
81. Diagnosis and Management of Placenta Previa. 17th ISUOG Virtual International Symposium, 17-18 April 2021.
82. Point of Care Ultrasound in Obstetrics. SOGC Ontario CME, 25-26 November, 2021(virtual/online).
83. Progesterone – Highlights from the SOGC Guidelines. OB Malpractice: A Survival Guide for 2022, University of Toronto / Mount Sinai Hospital, 22 January 2022 (Virtual/online)
84. Preeclampsia Update 2022: Implications for practice. SOGC West Central CME, 17-19 March 2022, Banff, Alberta.
85. Point of Care Ultrasound in Obstetrics. SOGC Annual Clinical & Scientific Conference, 7-10 June 2022, Quebec City, Quebec.
86. Evolution of Shoulder Dystocia: Cause and Care. Ontario Trial Lawyers Association – 2022 OTLA Medical Malpractice Conference, 23 September 2022, Toronto, Ontario (keynote speaker).
87. Previas of Pregnancy. Radiology rounds, Alberta Health Services, North and Central Alberta, January 25, 2023, Edmonton, Alberta.
88. Shoulder dystocia risk reduction – Need for a modified algorithm? SOGC West Central CME, 16-18 March 2023, Banff, Alberta.
89. To be or not to be? Vaginal progesterone for previous preterm birth (debate with Dr. S. McDonald). SOGC Annual Clinical & Scientific Conference, 2023. June 6 - 9, 2023 in Ottawa, Ontario.
90. Are we there yet? Aspirin use for preeclampsia prevention in Canada (co-presented with Dr. E. Bujold). SOGC Annual Clinical & Scientific Conference, 2023. June 6 - 9, 2023 in Ottawa, Ontario.
91. To Scan or Not to Scan – A debate on routine third-trimester ultrasound in low-risk population (debate with Dr. A.M. Morency). SOGC Annual Clinical & Scientific Conference, 2023. June 6 - 9, 2023 in Ottawa, Ontario.
92. Antenatal fetal surveillance. Grande Rounds, Grey Nuns Hospital, 16 June 2023 in Edmonton, Alberta.
93. Multifetal pregnancy reduction. SOGC Ontario CME 2023, November 23 - 25, 2023 in Toronto, Ontario.

3. Jain V, Saade GR, Garfield RE. Structure and function of the myometrium. In: Barr L, Christ GJ, eds. A functional view of smooth muscle. Advances in organ biology. JAI Press, Stamford, 2000:215-246.

ABSTRACTS:

Oral Presentations:

1. Jain V, Vedernikov Y, Saade G, Chwalisz K, Garfield R. Relaxation kinetics of pregnant rat aorta. Presented at the Society for Perinatal Obstetricians 17th Annual Meeting, January 23-26, 1997, Anaheim, CA. (Am J Obstet Gynecol 1997;176(1 part 2):S165)
2. Jain V, Shi SQ, Shi L, Vedernikov Y, Saade G, Chwalisz K, Garfield R. Effects of corticotropin-releasing factor in pregnant rats. Presented at 38th Annual National Student Research Forum, April 17-19, Galveston, TX.
3. Jain V, Vedernikov YP, Saade GR, Chwalisz K, Garfield RE. Pathways mediating vasorelaxation of pregnant rat uterine artery by corticotropin-releasing factor. Presented at the Society of Perinatal Obstetricians 18th Annual Meeting, Feb 2-7, 1998, Miami Beach, Florida. (Am J Obstet Gynecol 1998;178:S14)
4. Longo M, Jain V, Vedernikov Y, Saade G, Garfield R. Vascular reactivity during pregnancy and role of nitric oxide. Presented at the Sixth Annual Texas Forum on Female Reproduction, May 18-19, 2000, Houston, Texas.
5. Longo M, Jain V, Mackay L, Vedernikov Y, Facchinetti F, Saade GR, Garfield RE. Pathways involved in uterine contractility: effects of gestational age and labor. Presented at the Society

- for Maternal-Fetal Medicine 21st Annual Meeting, Feb7-10, 2001, Reno, Nevada. (Am J Obstet Gynecol 2001;184:S19)
6. Longo M, Jain V, Vedernikov Y, Saade GR, Garfield RE. On fetal origin of disease: Effect of in-utero environment and genetic imprinting on future vascular reactivity. Presented at the Society for Maternal-Fetal Medicine 22nd Annual Meeting, Jan 14-19, 2002, New Orleans, Louisiana. (Am J Obstet Gynecol 2002;185:S70)
 7. Longo M, Jain V, Vedernikov Y, Saade GR, Garfield RE. Effect of pregnancy on vascular reactivity in transgenic mice lacking a functional endothelial or inducible nitric oxide synthase. Presented at the Society for Maternal-Fetal Medicine 22nd Annual Meeting, Jan 14-19, 2002, New Orleans, Louisiana. (Am J Obstet Gynecol 2002;185:S74)
 8. Longo M, Jain V, Vedernikov Y, Saade GR, Garfield RE. Effect of genetic imprinting on the carotid artery of mice lacking endothelial nitric oxide synthase. Presented at the Society for Gynecologic Investigation 49th Annual Scientific Meeting, Mar 20-23, 2002, Los Angeles, California. (J Soc Gynecol Investig 2002;9:71A)
 9. Longo M, Jain V, Vedernikov YP, Anderson G, Saade GR, and Garfield RE. Effect of utero and genes on vascular development in adult life. Presented at the 13th World Congress of the International Society for the Study of Hypertension in pregnancy, June 2-5 2002, Toronto, Canada (Journal of Hypertension in Pregnancy 2002;182).
 10. Longo M, Jain V, Anderson G, Vedernikov Y, Garfield RE, Saade GR. On the fetal origin of disease: effect of uterine environment and genetic imprinting on vascular reactivity in later life. Presented at the Society for Maternal-Fetal Medicine 23rd Annual Meeting, Feb 4-8, 2003, San Francisco, California. (Am J Obstet Gynecol 2002; 187 (6 part 2):S19).
 11. Longo M, Jain V, Vedernikov Y, Anderson GD, Garfield RE, Saade GR. Effect of in-utero environment and genetic imprinting on future vascular reactivity in transgenic mice lacking a functional endothelial nitric oxide synthase. Presented at the Second World Congress on Fetal Origin of Adult Disease, June 7-10, 2003, Brighton, United Kingdom.
 12. Jain V, Lim M, Longo M, Fisk NM. Effects of erythropoietin on placental vessels: a mechanism for hypoxia-induced fetal vascular programming? Presented at the Developmental Origins of Health and Disease Symposium, June 29-30, 2004, Maastricht, Netherlands.
 13. Longo M, Jain V, Bukowski R, Garfield RE, Anderson GD, Hankins GDV, Saade GR. Enhanced growth and improved vascular function in offspring from successive pregnancies in endothelial nitric oxide synthase knockout mice. Presented at the 31st Annual Meeting of the Fetal and Neonatal Physiological Society, Sept 11-15, 2004, Castelvechio Pascoli, Italy.
 14. Jain V, Lim M, Longo M, Fisk NM. Erythropoietin inhibits contractility of placental arteries: a mechanism for hypoxia-induced fetal vascular programming? Presented at the 31st Annual Meeting of the Fetal and Neonatal Physiological Society, Sept 11-15, 2004, Castelvechio Pascoli, Italy.
 15. Longo M, Lu L, Jain V, Bukowski R, Hankins G, Garland Anderson G, Saade G. The effect of fetal programming on the expression of genes involved in adult vascular function. Presented at the Society for Maternal-Fetal Medicine 25th Annual Meeting, Feb 7-12, 2005, Reno, Nevada. (Am J Obstet Gynecol 2004;191(6 part 2):S7)
 16. Jain V, Toal M, Chaddha V, Chan C, Laskin C, Shupak R, Windrim R, Sermer M, Kingdom J. A prospective study of pregnancies complicated by systemic lupus erythematosus and managed in a dedicated high risk clinic. Presented at the 3rd World Congress of the International Society of Obstetric Medicine, July 2-3, 2006, Lisbon, Portugal.

17. Jain V, Toal M, Chaddha V, Chan C, Laskin C, Shupak R, Windrim R, Sermer M, Kingdom J. Hypertension is associated with abnormal markers of placental function and adverse maternal-fetal outcomes in lupus pregnancies. Presented at the XV Annual Meeting of the International Society for the Study of Hypertension in Pregnancy, July 2-5, 2006, Lisbon, Portugal.
18. Nakatsuka N, Jain V, Aziz K, Verity R, Kumar M. Does the use of fetal scalp electrode increase the risk of early-onset neonatal sepsis in term and late-preterm pregnancies? Presented at the Resident Research Day 2011, Department of Obstetrics and Gynecology, University of Alberta (Awarded best presentation).
19. Yamamoto Y, Bernard T, Jain V, Hornberger LK. Validation of clinical Doppler parameters of pulmonary vascular responsivity and severity of lung hypoplasia in a fetal rat model. Presented at the 21st World Congress on Ultrasound in Obstetrics and Gynecology, Sep 18-22, 2011, Los Angeles, USA. (Ultrasound in Obstetrics & Gynecology 2011; 38 (Suppl. 1):41) (Awarded best presentation).
20. Yamamoto Y, Bernard T, Jain V, Hornberger LK. In vivo validation of the treatment effect of Sildenafil in a nitrofen induced congenital diaphragmatic hernia rat model. Presented at the 22nd World Congress on Ultrasound in Obstetrics and Gynecology, Sep 9-12, 2012, Copenhagen, Denmark. (Ultrasound in Obstetrics & Gynecology 2012; 40 (Suppl. 1):52).
21. Nakatsuka N, Jain V, Aziz K, Verity R, Kumar M. Does the use of fetal scalp electrode increase the risk of early-onset neonatal sepsis in term and late-preterm pregnancies? Presented at the 40th Annual Meeting of the Association of Professors in Obstetrics and Gynecology of Canada, Dec 2-4, 2011, Toronto, Ontario.
22. McBrien A, Howley L, Yamamoto Y, Hirose A, Sekar P, Jain V, Motan T, Walsh M, Trines J, Hornberger LK. Normative Data for the Late First-Early Second Trimester Fetal Heart. Presented at the Western Perinatal Research Meeting, Feb 17-19, 2012, Banff, Alberta.
23. Zwingerman R, Jain V, Hannon J, Clarke G. Pregnancies Complicated by Red Blood Cell Antibodies. Presented at the Resident Research Day, April 27 2012, Department of Obstetrics and Gynecology, University of Alberta.
24. Yamamoto Y, Hirose A, Savard W, Jain V, Hornberger LK Doppler-based parameters of fetal pulmonary vascular resistance: baseline trends and response to maternal hyperoxia in the second and third trimester. Presented at the International Society of Ultrasound in Obstetrics and Gynecology 23rd World Congress, October 5-9, 2013, Sydney, Australia (Ultrasound Obstet Gynecol 2013;42(Suppl 1):1-47)
25. Jain V. Therapeutic potential of thoracentesis in severe fetal pleural effusion with or without hydrops. Presented at the 34th Annual Conference of the International Fetal Medicine and Surgery Society, June 19-23, 2015, Crete, Greece.
26. Alam A*, Jain V, Wu C, Sun L. Impact of Inherited Bleeding Disorders on Maternal Bleeding and Other Pregnancy Outcomes: A Population-Based Cohort Study. Presented at the American Society of Hematology 63rd Annual Meeting and Exposition, December 10-13, 2021, New Orleans, Louisiana (ASH Abstract Achievement Award) (Blood 2021;138(Suppl 1):493).

Presented at the Society for Gynecologic Investigation 44th Annual Scientific Meeting, March 19-22, 1997, San Diego, CA. (J Soc Gynecol Invest 1997;4(1):224A)
8. Jain V, Vedernikov YP, Saade GR, Garfield RE. Endothelium-dependent and -independent mechanisms of vasodilation by corticotropin-releasing factor in pregnant rat uterine artery. Presented at the 7th International Symposium on Mechanisms of Vasodilation, July 6-9, 1997, Maastricht, The Netherlands. (J Vasc Res 1997;34:21)
9. Jain V, Vedernikov YP, Saade GR, Garfield RE. Relaxation kinetics of the aorta in N ω -nitro-L-arginine methyl ester treated pregnant rats. Presented at the 7th International Symposium on Mechanisms of Vasodilation, July 6-9, 1997, Maastricht, The Netherlands. (J Vasc Res 1997;34:21)
10. Jain V, Ali M, Saade GR, Chwalisz K, Garfield RE. Vascular corticotropin-releasing factor in pregnant rats. Presented at the Society of Perinatal Obstetricians 18th Annual Meeting, Feb 2-7, 1998, Miami Beach, Florida. (Am J Obstet Gynecol 1998;178:S35)
11. Jain V, Vedernikov YP, Saade GR, Chwalisz K, Garfield RE. Effects of pregnancy on responses of rat uterine artery to vasodilators. Presented at the Society for Gynecologic Investigation 45th Annual Scientific Meeting, March 11-14, 1998, Atlanta, GA. (J Soc Gynecol Invest 1998;5(1):146A)
12. Jain V, Ali M, Purcell T, Saade GR, Chwalisz K, Garfield RE. Expression of receptors for corticotropin-releasing factor in vasculature of pregnant rats. Presented at the Society for Gynecologic Investigation 45th Annual Scientific Meeting, March 11-14, 1998, Atlanta, GA. (J Soc Gynecol Invest 1998;5(1):147A)
13. Ali M, Buhimschi I, Orise P, Jain V, Saade GR, Chwalisz K, Garfield RE. Expression of nitric oxide synthases (NOS) in rat uterus and cervix after LPS administration to pregnant and

- nonpregnant rats. Presented at the Society for Gynecologic Investigation 45th Annual Scientific Meeting, March 11-14, 1998, Atlanta, GA. (J Soc Gynecol Investig 1998;5(1):145A)
14. Jain V, Vedernikov YP, Saade GR, Garfield RE. Role of endothelium-derived hyperpolarizing factor in relaxation of pregnant rat uterine artery by corticotropin-releasing factor. Accepted for presentation at Second Workshop on Endothelium-Derived Hyperpolarizing Factor at Abbaye des Vaux de Carnay, France (June 5-6, 1998)
 15. Jain V, Longo M, Vedernikov YP, Saade GR, Chwalisz K, Garfield RE. Effect of nitric oxide inhibition on changes in hematocrit during pregnancy. Presented at the Society for Maternal-Fetal Medicine 19th Annual Meeting, Jan 18-23, 1999, San Francisco, California. (Am J Obstet Gynecol 1999;180:S43)
 16. Longo M, Jain V, Vedernikov YP, Saade GR, Chwalisz K, Facchinetti F, Garfield RE. Inhibition of vascular contractility by magnesium sulfate during pregnancy is mediated by nitric oxide. Presented at the Society for Maternal-Fetal Medicine 19th Annual Meeting, Jan 18-23, 1999, San Francisco, California. (Am J Obstet Gynecol 1999;180:S42)
 17. Longo M, Jain V, Vedernikov YP, Saade GR, Chwalisz K, Facchinetti F, Garfield RE. Effect of nitric oxide and carbon monoxide on rat uterine contractility during pregnancy. Presented at the Society for Maternal-Fetal Medicine 19th Annual Meeting, Jan 18-23, 1999, San Francisco, California. (Am J Obstet Gynecol 1999;180:S133)
 18. Longo M, Jain V, Vedernikov YP, Saade GR, Chwalisz K, Facchinetti F, Garfield RE. Effect of nitric oxide and carbon monoxide on human myometrial contractility at term. Presented at the Society for Maternal-Fetal Medicine 19th Annual Meeting, Jan 18-23, 1999, San Francisco, California. (Am J Obstet Gynecol 1999;180:S134)
 19. Jain V, Longo M, Vedernikov YP, Ali M, Saade GR, Chwalisz K, Garfield RE. Increased endothelium-dependent relaxation in mutant mice lacking inducible nitric oxide synthase. Presented at the Society for Gynecologic Investigation 46th Annual Scientific Meeting, March 10-13, 1999, Atlanta, GA. (J Soc Gynecol Investig 1999;6(1):120A)
 20. Longo M, Jain V, Vedernikov YP, Saade GR, Chwalisz K, Facchinetti F, Garfield RE. Effect of sodium nitroprusside and magnesium sulfate in rat uterine contractility during pregnancy. Presented at the Society for Gynecologic Investigation 46th Annual Scientific Meeting, March 10-13, 1999, Atlanta, GA. (J Soc Gynecol Investig 1999;6(1):158A)
 21. Longo M, Jain V, Vedernikov Y, Saade G, Facchinetti F, Garfield R. Vascular reactivity in pregnant mice lacking inducible nitric oxide synthase expression. Presented at the Society for Maternal-Fetal Medicine 20th Annual Meeting, Jan 31- Feb 5, 2000, Miami Beach, Florida. (Am J Obstet Gynecol 2000;182:S88)
 22. Longo M, Jain V, Vedernikov Y, Facchinetti F, Saade G, Garfield R. Uterine contractility in mice lacking functional inducible nitric oxide synthase during pregnancy. Presented at the Society for Maternal-Fetal Medicine 20th Annual Meeting, Jan 31- Feb 5, 2000, Miami Beach, Florida. (Am J Obstet Gynecol 2000;182:S196)
 23. Jain V, Longo M, Vedernikov YP, Saade GR, Garfield R. Hemodynamic effects of nitric oxide synthase inhibitor N ω -nitro-L-arginine methyl ester in pregnant rats. Presented at the International Symposium on Stress, Hormones and Human Parturition, Feb 27-29, 2000, Udine, Italy.
 24. Longo M, Jain V, Vedernikov YP, Saade GR, Facchinetti F, Garfield R. Interaction of magnesium and nitric oxide on vascular tone and myometrial activity during pregnancy. Presented at the International Symposium on Stress, Hormones and Human Parturition, Feb 27-29, 2000, Udine, Italy.

25. Longo M, Jain V, Vedernikov Y, Facchinetti F, Saade G, Garfield R Vascular reactivity and response to estradiol and potassium channel modulators in female mice lacking a functional endothelial nitric oxide synthase. Presented at the Society for Gynecologic Investigation 47th Annual Scientific Meeting, Mar 22–25, 2000, Chicago, Illinois. (J Soc Gynecol Investig 2000;7(1):222A)
26. Longo M, Jain V, Vedernikov Y, Facchinetti F, Saade G, Garfield R. Mechanisms inhibiting contractility in the human myometrium at term gestation. Presented at the Society for Gynecologic Investigation 47th Annual Scientific Meeting, Mar 22–25, 2000, Chicago, Illinois. (J Soc Gynecol Investig 2000;7(1):274A)
27. Longo M, Jain V, Mackay L, Vedernikov Y, Facchinetti F, Saade GR, Garfield RE. Vascular effect of magnesium sulphate in transgenic mice lacking endothelial nitric oxide synthase. Presented at the Society for Maternal-Fetal Medicine 21st Annual Meeting, Feb7-10, 2001, Reno, Nevada. (Am J Obstet Gynecol 2001;184:S78)
28. Longo M, Jain V, Vedernikov Y, Saade GR, Garfield RE. Uterine contractility in pregnant mice lacking an inducible nitric oxide synthase. Presented at the Society for Maternal-Fetal Medicine 21st Annual Meeting, Feb7-10, 2001, Reno, Nevada. (Am J Obstet Gynecol 2001;184:S78)
29. Longo M, Jain V, Vedernikov Y, Saade GR, Garfield RE. Vascular reactivity during pregnancy in transgenic mice lacking endothelial nitric oxide synthase. Presented at the Society for Maternal-Fetal Medicine 21st Annual Meeting, Feb7-10, 2001, Reno, Nevada. (Am J Obstet Gynecol 2001;184:S78)
30. Longo M, Jain V, Mackay L, Vedernikov Y, Facchinetti F, Saade GR, Garfield RE. Maternal and fetal effects of lack of endothelial and inducible nitric oxide synthase expression in pregnant mice. Presented at the Society for Gynecologic Investigation 48th Annual Scientific Meeting, Mar 14-17, 2001, Toronto, Canada. (J Soc Gynecol Investig 2001;8:256A)
31. Longo M, Jain V, Vedernikov Y, Saade GR, Garfield RE. Relaxin-induced vasorelaxation in pregnant rat uterine artery. Presented at the Society for Gynecologic Investigation 48th Annual Scientific Meeting, Mar 14-17, 2001, Toronto, Canada. (J Soc Gynecol Investig 2001;8:119A)
32. Longo M, Jain V, Raad N, Vedernikov Y, Facchinetti F, Saade GR, Garfield RE. Vascular effects of 17 β -estradiol in pregnant mice lacking endothelial nitric oxide synthase. Presented at the Society for Gynecologic Investigation 48th Annual Scientific Meeting, Mar 14-17, 2001, Toronto, Canada. (J Soc Gynecol Investig 2001;8:118A)
33. Longo M, Jain V, Mackay L, Vedernikov Y, Saade GR, Garfield RE. Endothelium-derived relaxing factor in the aorta of mice lacking a functional endothelial nitric oxide synthase. Presented at the Society for Gynecologic Investigation 48th Annual Scientific Meeting, Mar 14-17, 2001, Toronto, Canada. (J Soc Gynecol Investig 2001;8:225A)
34. Longo M, Jain V, Vedernikov Y, Saade GR, Garfield RE Gestational age effects on vascular reactivity in transgenic mice lacking endothelial or inducible nitric oxide synthase. Presented at the 8th International Symposium on Mechanisms of Vasodilation, May 31- June 3, 2001, Boston, Mass. (J Vasc Res 2001;38S101:16)
35. Longo M, Jain V, Vedernikov Y, Bukowski R, Anderson G, Saade GR, Garfield RE. Effect of in-utero environment and genetic imprinting on fetal and neonatal development in heterozygous endothelial nitric oxide synthase mice. Presented at the Society for Maternal-Fetal Medicine 22nd Annual Meeting, Jan 14-19, 2002, New Orleans, Louisiana. (Am J Obstet Gynecol 2002;185:S229)

36. Longo M, Jain V, Vedernikov Y, Saade GR, Garfield RE. Effect of relaxin on rat uterine contractility during pregnancy. Presented at the Society for Gynecologic Investigation 49th Annual Scientific Meeting, Mar 20-23, 2002, Los Angeles, California. (J Soc Gynecol Investig 2002;9:308A)
37. Longo M, Jain V, Vedernikov Y, Maner W, Maul H, Saade GR, Garfield RE. Increased spontaneous electrical activity in pregnant mice lacking inducible nitric oxide synthase. Presented at the Society for Gynecologic Investigation 49th Annual Scientific Meeting, Mar 20-23, 2002, Los Angeles, California. (J Soc Gynecol Investig 2002;9:308A)
38. Longo M, Jain V, Vedernikov Y, Saade GR, Garfield RE. Relaxin-induced vasorelaxation in pregnant rat uterine artery. Presented at the Society for Gynecologic Investigation 49th Annual Scientific Meeting, Mar 20-23, 2002, Los Angeles, California. (J Soc Gynecol Investig 2002;9:309A)
39. Longo M, Jain V, Vedernikov Y, Hankins GDV, Saade G, Garfield R. In vitro reactivity of human chorionic vessels at term: role of prostanoids and nitric oxide. Presented at the Society for Maternal-Fetal Medicine 23rd Annual Meeting, Feb 4-8, 2003, San Francisco, California. (Am J Obstet Gynecol 2002; 187 (6 part 2):S237)
40. Longo M, Jain V, MacKay L, Vedernikov Y, Saade GR, Garfield RE. Uterine contractility in pregnant mice lacking endothelial nitric oxide synthase. Presented at the Society for Maternal-Fetal Medicine 23rd Annual Meeting, Feb 4-8, 2003, San Francisco, California. (Am J Obstet Gynecol 2002;187 (6 part 2):S236)
41. Longo M, Vedernikov Y, Betancourt A, Jain V, Saade GR, Garfield RE. The effect of intrauterine environment and genetics on placental nitric oxide production in pregnant mice lacking an endothelial nitric oxide synthase. Presented at the Society for Maternal-Fetal Medicine 23rd Annual Meeting, Feb 4-8, 2003, San Francisco, California. (Am J Obstet Gynecol 2002; 187 (6 part 2):S236)
42. Longo M, Jain V, Vedernikov Y, Bukowski R, Hankins GDV, Saade GR, Garfield RE. In vitro reactivity of human umbilical vessels at term of pregnancy and role of nitric oxide. Presented at the Society for Gynecologic Investigation 50th Annual Scientific Meeting, Mar 26-30, 2003, Washington, DC. (J Soc Gynecol Investig 2003;10:194)
43. Longo M, Jain V, Vedernikov Y, Bukowski R, Saade GR, Garfield RE. Pregnancy-dependent changes in myometrial contractility in female mice lacking a functional endothelial nitric oxide synthase. Presented at the Society for Gynecologic Investigation 50th Annual Scientific Meeting, Mar 26-30, 2003, Washington, DC. (J Soc Gynecol Investig 2003;10:471)
44. Longo M, Langenveld J, Jain V, Vedernikov YP, Anderson GD, Hankins GDV, Garfield RE, Saade GR. Effect of Pregnancy on vascular responses in the offspring of endothelial nitric oxide synthase knockout mice. Presented at the Society for Maternal-Fetal Medicine 24th Annual Meeting, Feb 2-7, 2004, New Orleans, LA. (Am J Obstet Gynecol 2004;189(6):S94).
45. Longo M, Langenveld J, Jain V, Hankins GDV, Anderson GD, Garfield RE, Saade GR. Effect of Pregnancy on postnatal growth in the offspring of endothelial nitric oxide synthase knockout mice. Presented at the Society for Maternal-Fetal Medicine 24th Annual Meeting, Feb 2-7, 2004, New Orleans, LA. (Am J Obstet Gynecol 2004;189(6):S97).
46. Galea P, Jain V, Sullivan M, Barigye O, Wee L, Wimalasundera R, Gardiner HM, Fisk NM. Placental origin of paradoxical renin angiotensin system activation in recipient fetuses with twin-twin transfusion syndrome. Presented at the 24th International Fetal Medicine and Surgical Society Meeting, May 22-25, 2005, Helsingor, Denmark.

47. Howley L, Yamamoto Y, Sekar P, Sonesson S, Jain V, Trines J, Savard W, Hornberger LK. Antegrade late diastolic arterial flow in the fetus: Insight into early fetal hemodynamics. Presented at the American Heart Association Scientific Sessions, Nov 13-17, 2010, Chicago, IL. (Circulation 2010;122:A13050).
48. Howley L, Sekar P, Yamamoto Y, Jain V, Trines J, Savard W, Hornberger LK. Descriptive Analysis of the evolution of fetal hemodynamics from 6-30 weeks. Presented at the American Heart Association Scientific Sessions, Nov 13-17, 2010, Chicago, IL. (Circulation 2010;122:A14569).
49. Wong K, Clarke G, Chandra S, Chari R, Demianczuk N, Jain V, Turnell R, Nahirniak S. Plasmapheresis and IVIG successfully maintain fetal erythropoiesis despite anti-Kell antibodies. Presented at the Canadian Society for Transfusion Medicine Annual Meeting, May 13-16, 2010, Vancouver, British Columbia.
50. Vanderzalm J, Demianczuk N, VanThournout R, Jain V. Enhancing the medical student experience in labor and delivery using a nurse preceptor: A program evaluation. Presented at the Society of Obstetricians and Gynecologists of Canada 66th Annual Clinical Meeting, June 2-6, 2010, Montreal, Quebec.
51. Yamamoto Y, Thebaud B, Jain V, Hornberger LK. Prenatal evaluation of lung growth and function by echocardiography using an experimental fetal rat model. Presented at the Society for Gynecologic Investigation 58th Annual Scientific Meeting, Mar 16-19, 2011, Miami Beach, Florida. (Reprod Sci 2011;18(4 Suppl):103A)
52. McBrien A, Howley L, Yamamoto Y, Hirose A, Sekar P, Jain V, Motan T, Trines J, Savard W, Hornberger LK. Changes in the fetal cardiac axis in the late first-early second trimester. Presented at the Western Perinatal Research Meeting, Feb 17-19, 2012, Banff, Alberta.
53. Colen T, Khoo NS, Alrajaa N, Ojala T, Brooks PA, Jain V, Yamamoto Y, Kutty S, Stickland M, Davidge S, Hornberger LK. Exposure to the diabetic intrauterine environment is associated with ventricular hypertrophy in early and late infancy. Presented at the Western Perinatal Research Meeting, Feb 17-19, 2012, Banff, Alberta.
54. Zwingerman R, Jain V, Hannon J, Clarke G. Pregnancies complicated by red blood cell antibodies. Presented at the Western Perinatal Research Meeting, Feb 17-19, 2012, Banff, Alberta.
55. Colen T, Khoo NS, Brooks P, Yamomoto Y, Kutty S, Jain V, Ojala, T, Al Rajaa N, Savard W, Stickland M, Davidge S, Hornberger LK, Exposure to the diabetic intrauterine environment is associated with ventricular hypertrophy in early and late infancy. American College of Cardiology 61st Annual Scientific Session, Mar 24-27, Chicago, IL. (J Am Coll Cardiol, 2012;59(13 Suppl);E767)
56. Sabourin J, Jain V, Flood C. Simulation of Normal Vaginal Deliveries During the Obstetrics Clerkship: A Randomized Controlled Trial Assessing Confidence. Presented at the 2012 CREOG & APGO annual meeting, Mar 7-10, 2012, Orlando, FL. (APGO Resident Scholars Award)
57. Sacks J, Motan T, Jain V. Predictive value of cervical length in patients with threatened preterm labour and a negative fetal fibronectin (ffn). Presented at the Society of Obstetricians and Gynecologists of Canada 68th Annual Clinical Meeting, Jun 20-24, 2012, Ottawa, ON.
58. Jain V, Clarke G, Russell L, McBrien A, Hornberger L, Young C, Chandra S. A Case of Alloimmune Thrombocytopenia, Hemorrhagic Anemia-Induced Fetal Hydrops, Maternal Mirror Syndrome and and hCG-induced Thyrotoxicosis. Presented at the 11th World Congress in Fetal Medicine, Jun 24-28, 2012, Kos, Greece.

59. Yamamoto Y, Thebaud B, Jain V, Hornberger LK. In Vivo Validation of the Treatment Effect of Sildenafil in a Nitrofen Induced Congenital Diaphragmatic Hernia Rat Model. Presented at the 11th World Congress in Fetal Medicine, Jun 24-28, 2012, Kos, Greece.
60. Hutchinson D, Hirose A, Yamamoto Y, Jain V, Hornberger LK. Utility of Fetal Echocardiography in the Evaluation and Treatment of Fetal Anemia. World Congress of Pediatric Cardiology & Cardiovascular Surgery, Cape Town, SA, Feb 2013 (published in Cardiology in the Young 2013)
61. Alhashemi H, Colen T, Hirose A, Alrajaa N, Davidge S, Savard W, Stickland M, Jain V, Lisa Hornberger. Intrauterine Exposure to Maternal Diabetes is Associated with Increased Aortic Stiffness in Early and Late Infancy, San Francisco, California, March 9-11, 2013. (J Am Coll Cardiol 2013;61(10 Suppl):E512)
62. Hutchinson D, McBrien A, Howley L, Yamamoto Y, Motan T, Jain V, Savard W, Hornberger LK. Early first trimester fetal echocardiography: identification of cardiac structures by 2D imaging and color Doppler from six weeks gestation. Presented at the American College of Cardiology's 62nd Annual Scientific Session, March 9 – 11, 2013, San Francisco, California (J Am Coll Cardiol 2013;61(10 Suppl):E556)
63. Zwingerman R, Jain V, Hannon J, Clarke G. Outcomes of Pregnancies Complicated by Red Blood Cell Antibodies. Presented at the 17th International Conference on Prenatal Diagnosis & Therapy, Jun 2 - 5 2013, Lisbon, Portugal.
64. Alhashemi H, Colen T, Hirose A, Alrajaa N, Jain V, Savard W, Stickland M, Davidge S, Hornberger LK. Exploring The Relationship Between increased Arterial Stiffness and Myocardial Hypertrophy in infants of Diabetic Mothers. Presented at the Canadian Cardiovascular Conference Oct 17-19, 2013, Montreal, Quebec.
65. Pin S, Jain V, Crane J, Chandra S. A teaching interventions intervention on screening test performance to improve resident bedside application of clinical epidemiology concepts. Presented at the Association of Professors in Obstetrics and Gynecology 42nd Annual Meeting, Nov 29-Dec 1, 2013, Toronto, Ontario. (Education Innovation Award)
66. Mills L, Savard W, Jain V, Hornberger L. Congenital heart disease identified at first trimester fetal echocardiography; an institutional experience. Presented at the Canadian Cardiovascular Congress, Vancouver, October 25-28, 2014. (Canadian Journal of Cardiology 2014;30(10):S342-3.
67. Castillo E, Chandra S, Cooper R, Jain V, Tang, J, Tellier R, Young C, Chari R. A Retrospective Review of the Clinical Utilization and Outcomes of Cytomegalovirus (CMV) IgG Avidity Testing in Pregnant Women in a Canadian Province. CMV Public Health Conference, Salt Lake City, Utah, September 26-27, 2014.
68. Jain V. Enhanced competency through interactive role-playing: An educational tool for bedside clinical skills development, assessment and feedback. Presented at the Association of Professors in Obstetrics and Gynaecology of Canada 43rd Annual Meeting, Toronto, December 5-7, 2014.
69. Bohun CM, Howley L, Serrano Lomelin J, Sekar P, Savard W, Mills L, McBrien A, Jain V, Motan T and Hornberger LK. The Evolution of Diastolic Events and the Impact of Heart Rate in the First to Early Second Trimester Fetus. Circulation 2015.
70. Gyenes D, Atallah J, Serrano Lomelin J, Bohun CM, Howley L, McBrien A, Savard W, Jain V, Motan T and Hornberger LK. Evolution of the Fetal Atrioventricular (AV) interval from 6-40 weeks of Gestation. Presented at the American College of cardiology Annual Scientific Session in Chicago, IL, April 2016 (JACC 2016)

71. Yamamoto Y, Hirose A, Savard W, Jain V, Hornberger LK Prediction of severity of lung hypoplasia in the fetuses with prolonged premature rupture of membrane. Presented at the International Society of Ultrasound in Obstetrics and Gynecology 26th World Congress, September 25-28, 2016, Rome, Italy (Ultrasound Obstet Gynecol 2016;48(Suppl 1):297.
72. Sullivan MB, Thompson X, Mathura P. Wong A. Crawford J, Salguero C, Tankel J, Fuezery A, Jain V, Sia W. Reducing Excessive Laboratory Investigations for Preeclampsia: A Quality Improvement Project. J Obstet Gynaecol Can 2018;40(6):855.
73. DraganaMisita D, Aulakh S, OspinaM, Jain V, Bell RC. Prenatal nutrition care in Alberta: Exploring women's Interest in dietetic services during pregnancy and Dietitians experiences supporting pregnant women during pregnancy. Presented at WCHRI 12th Annual Research Day, Edmonton, Alberta, November 6, 2019.
74. McBrien A, Gyenes D, Bohun CM, Serrano-Lomelin J, Alvarez SGV, Howley LW, Jain V, Motan T, Hornberger LK. Changes in Fetal/Embryonic Heart Function Components in the Late First/Early Second Trimester of Human Pregnancy. Presented at AHA Scientific Sessions Philadelphia, PA, November 16–18, 2019.
75. Alam A*, Jain V, , Kaul P, Lapner S, Wu C, Sun L. Iron deficiency in pregnancy is highly prevalent despite suboptimal screening: A population-based cohort study. Presented at the Congress of the International Society on Thrombosis and Haemostasis London, England, U.K., July 9-13, 2022 (Trainee received the Early Career Award).
